Dear Mr. McCarey:

On behalf of Mr. Dulles, I would like to acknowledge and thank you for your letter of 7 March.

We note your comment about the sale of Devil's Island and, in regard to your query about the Polaris, I might suggest that you get in touch with the Bureau of Ordnance of the U. S. Navy Department. Your courtesy in writing to us is appreciated.

Sincerely,

[Redacted Signature]

Dear Mr. Dulles

I have read where
the French Govern-
-ent put up for sale,

Devil's Island off the
South American coast
in around Guiana

As you know the
Russians have been
trying all along to
Penetrate our hem-

If an unregistered
Red agent in South
America were to
buy Devil's Island
There's nothing to
stop him from selling
the Island to the
Soviet Union and
they in turn using
it for a psychological
effect on our hemisphere
I don't think the

Monroe doctrine

mean's anything to them, & it might pay to look in to it Mr. Dulles.

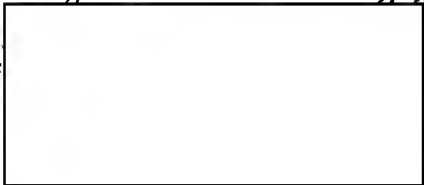

And Sir I have an Idea on Nuclear-powered Polaris - firing - Portable Land Base's

Could you Please tell me who to get in touch

(44)
If my Idea work's
out the Base's could
be used in Turkey &
Iran facing the
Soviet Union and
also in Alaska and
Canada

Very
Sincerely
Hugh F. Mc Carey Jr. Yours

Hugh F. McCarey Jr.
